

I'm getting a haircut!

I am going to HLC to get my haircut. I might have to wait my turn when I get there.

Mary will be cutting my hair. She is great at cutting hair!

I might also see  
Ms. Zulema,  
Ms. Sara, and  
Ms. Kellie at  
HLC.

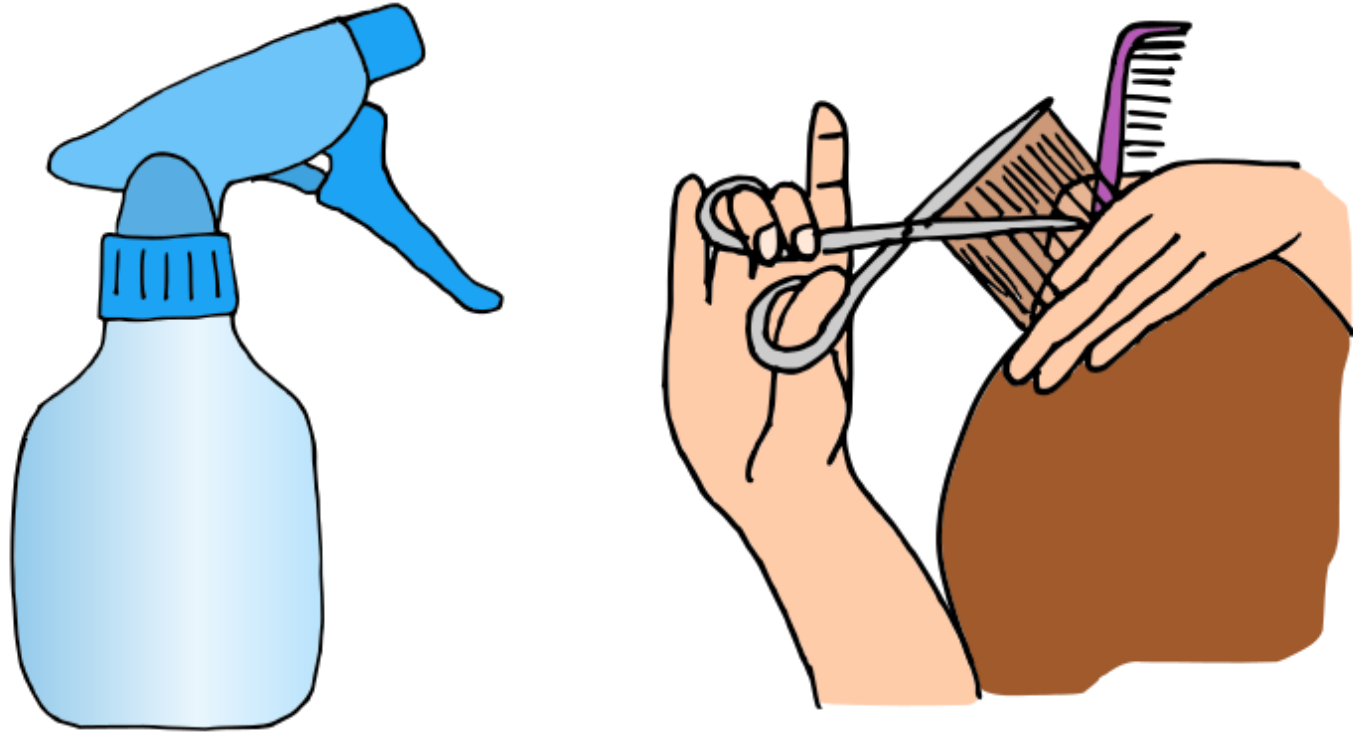

When it's my turn for my haircut, I will go into the swing room.

I might wear a cape over my shirt. The cape can catch some of my hairs when Mary cuts them.

To cut my hair, Mary might use a spray bottle and scissors.

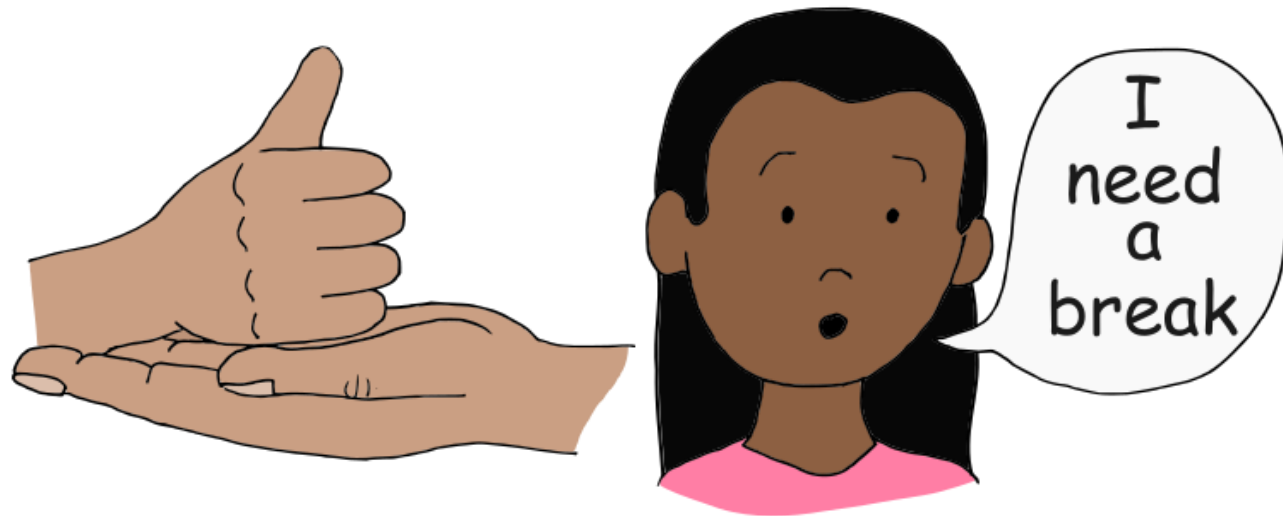

She might also use clippers. I might hear and feel the buzzing on my head. It might sound loud or feel funny.

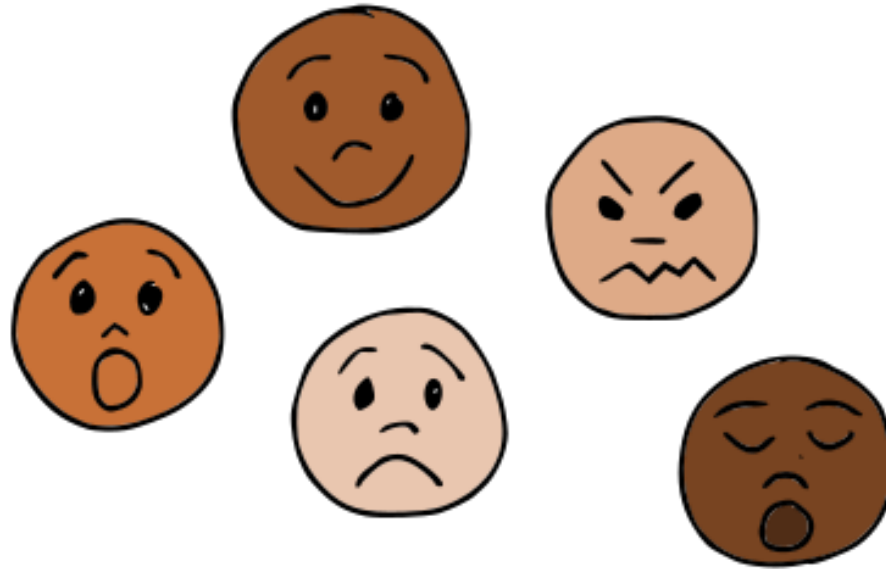

I might also feel some hair falling on my face, neck, or body.

If I feel scared, the sounds are too loud, or I don't like how it feels, I can ask Mary, Ms. Zulema, Ms. Sara, Ms. Kellie, or the grown up who comes with me for help. I can brush the hair off of myself. I can ask for a break.

I might feel excited to get my haircut. I might feel nervous to get my haircut. I might feel something else. I might not know how I feel. All of these things are okay!
