

# TRICK OR TREAT

DEVELOPED BY HLC THERAPISTS

**It's Halloween time!**

**If I want, I can wear a costume. If I don't want to wear a costume, that's OK.**

**A costume will feel different than the other clothes I wear. I will look different when I wear my costume.**

**A part of Halloween is going trick or treating. When I go, I need to be safe and stay with my adult.**

**When my adult says that it is OK, I can walk up to someone and say “trick or treat”.**

**I may get a piece of candy, a small toy, or something else special to put in my bag.**

**I can say “thank you” to the person.**

**Trick or treating can feel all sorts of ways! I may be excited, scared, or other feelings, and that's OK.**

**If I need a break or help, I can tell my adult.**

**My adult will tell me when it is time to go home.**
